Hereford & District Riding Club Newsletter - Autumn 2006

Chairman's Bit.....

Having just got back from packing up the field completely soaked, I thought it good thing to stay indoors and do bit of newsletter. I'll start by thanking all of you who came to help and brought the soaking down to minimum - it made all the difference!

H&DRC have had another excellent season rounded off with a successful End of Season Show on 17th September, thanks to all those who helped prior to and on the day. There was a photographer taking pictures on the day, they may be seen on his website www.onlysportsphotos.com, his name is George Burgess email address george@onlysportsphotos.com and phone number is 07786995391.

This is a difficult time of year for me because I am both ending one season whilst trying to kick start some interest for the winter with an AGM looming with possible changes to committee and who does what - so if anything is unclear, please don't hesitate to contact me, Jane Unitt and I will be able to at least point you in the right direction.

There have been all sorts of successes at Area and Championship level - all will be revealed in Jenny's Epic Tale of 2006, out in the next newsletter. Also in this newsletter are the Dressage and Show Jumping Accumulator winners plus the list of Trophy winners for 2006.

Now, I hate to nag but it's that time of year again - Subscription renewal - I have included a membership renewal form. They can be downloaded from the website or, if you need one posted to you, please send a SAE to me, Jane Unitt, Rosedale, Cockyard, Wormbridge, Hereford. HR2 9EF. We would be most grateful if this could be done soon as it will ensure that you continue to receive all the club information and it will boost club funds over the winter period.

Also included is the Winter Dressage Season schedule, along the same lines as last year with a Badminton Horse Feeds Qualifier included to add extra interest. These will take place on various all weather surfaces until the club field becomes available in April next year. The other winter interest is the Training which will run regularly weather permitting - it didn't stop us last year!

As there won't be another newsletter till the New Year, may I take this opportunity to thank everyone who has supported the club over the past year, I hope there was something to interest all members somewhere in the programme and I hope you will rejoin and encourage others to join as well.

Please try to come to the AGM and Trophy Presentation on 17th November at Clehonger Village Hall to support your committee or volunteer to serve - we promise to keep the business to a minimum.

See you there,

Jane Unitt

Training sessions through the winter

Fiona Birch has arranged training sessions to mid November - there will be more but they will have to be arranged after the AGM when a new committee is in place. If in doubt contact Jane Unitt 01981 570435.

H&DRC members would like to thank Fiona for her fantastic enthusiasm in fixing up a very varied training programme. Thanks Fiona and husband, Steve who has stood in for her more than once!

Winter Dressage season

Once again a new season is underway - see schedule. We are again offering a chance to qualify for the Badminton Horse Feeds Championships to be held at the indoor school Badminton House next July There are three levels and the winners of the first three places in each level qualify for the Championships. We notify BHF organisers who send a schedule out to those eligible then it's down to the individual if they want to compete.

Plea for volunteer fence menders

Some of the H&DRC show jumps are in need of repair and painting. Have we any members who can do this or have connections with the required skills to take this on over the season next year. Help with painting could be organised.

Fund-raising

Following the Championships two parents of Junior members decided that an H&DRC banner would add to the sense of club identity at the Championships. For this they have offered to put on some fund-raising events. The first of which will be an Easter Bingo Night run by Audrey Turner and the second is a Dog Show run by Isabelle Clinton. These will take place next year and more details will come up nearer the time.

May I just say that, as Chairman, how nice it was to receive these offers and as they will require little committee effort how pleased I am that there are some fresh ideas and support out there in the club. Thank you ladies.

Results

To save adding weight to the finished newsletter and so saving on postage costs, the committee has decided to print the accumulator tables only. A full set of results is available on the H&DRC website www.hereford-riding-club.org.uk . If you are unable to access this, please contact Jane Unitt on 01981 570435 who will print them off and post them to you.

Club Representation at Area and National Competitions

If you would like to represent H&DRC either in a team or individually and wish to know more, please contact our Teams co-ordinator, Jenny Ridgway on 01885 488159 or 07973 136046. A club representation form has been included in this mailing. The next Qualifer will be the Area Indoor Showjumping usually held in February, more details to follow.

Teams Funding

Owing to H&DRC's astounding success over recent years the cost of the existing funding strategy has overshadowed club expenditure. Therefore, it has been decided to adjust the financial help the club gives to competitors at Area Qualifiers and National Championships to take place from the 1st January 2007. Team Co-ordinator, Jenny Ridgway, is currently working on this and a full explanation will be out with the next newsletter.

If you qualified at the Hunter Trials at Wenvoe on 15th October 2006 the old funding will apply for the BRC Hunter Trials Nationals at Offchurch in 2007 as notification was not given before entering. This subject is constantly under review but the club is having difficulty finding the money, which is causing other aspects of the club to be starved of funds.

On behalf of the Club...

Your Chairman wishes to thank Jenny Ridgway who, despite a serious illness, managed to continue organising the teams and Hunter Trials which subsequently had to be cancelled anyway ! I know she had some help at times so thanks to you too !

I would also like to thank Sue and Terry Pickering for organising not only all the show jumping, but masterminding the arrangements for the club field, the field hire, the trophies, the sponsors etc... Thanks Sue - not sure we can manage without you !

And I would like, on behalf of the Membership, to thank my fellow Committee Members for all there sterling efforts over the past year.
